Barrytown College is the undergraduate Bachelor of Arts

Thank you for allowing me to serve

Richard A. Panzer

January 7, 2015

At tonight's board meeting, the UTS Board of Directors voted to have me step down and to invite Dr. Hugh Spurgin to step in as the new president.

Developing the undergraduate college in Barrytown has been one of the most inspiring projects I have ever worked on. I would like to thank the more than 1300 supporters for the courageous way they stood up to "Save Barrytown College and UTS."

Morning Prayer Group at Barrytown College

I know the church leaders heard a very clear message as to how much the college and the Barrytown property itself are valued by a vast number of Unificationists. They are now saying they want to give the college a chance to succeed and I sincerely hope and pray that they will do so.

To our Barrytown College students I would like to say how proud I am of the way they stood up for their school. It is my strong

conviction that, if it is allowed to grow, hundreds and thousands of students will come to study in Barrytown in the decades and centuries to come.

I wish Dr. Spurgin much success as the new president and pray that he will lead the UTS graduate programs and the undergraduate college into a bright new chapter.
