When Jesus had finished saying these things, he left Galilee and went into the region of Judea to the other side of the Jordan. Large crowds followed him, and he healed them there. Some Pharisees came to him to test him. They asked, "Is it lawful for a man to divorce his wife for any and every reason?" "Haven't you read," he replied, "that at the beginning the Creator 'made them male and female,'[a] and said, 'For this reason a man will leave his father and mother and be united to his wife, and the two will become one flesh'[b]? So they are no longer two, but one flesh. Therefore what God has joined together, let no one separate." "Why then," they asked,

"did Moses command that a man give his wife a certificate of divorce and send her away?" Matthew 19:1-14

The entire world faces the same conditions and patterns of corruption in the realm of life, realm of love and realm of lineage. Everything is entangled in the same degradation. Hence, you can stand within the boundary of the Kingdom of Heaven on earth if you can renounce everything that your body desires in the satanic domain and totally move into the realm of your conscience. Thus, you can attain the free rights that lead to the borderless and infinite nation of God, the world of the Kingdom of Heaven on earth and in the spirit world. CSG 761

Greetings!

John Raucci speaking on Sunday

At the beginning of Sunday's Service, Hyung Jin Nim invited John Raucci to share his testimony regarding his relationship with his wife, Madeline, who passed away to the spirit world on April 21. John shared a heartfelt testimony about his wife, Madeleine who suffered with cancer for 2 years. Eight churches were praying for her, praying for a miracle, but her suffering so much. John said to her, "if you need to go to the spirit world, go now, let there be spiritual communication." One hour after she left this world, he and his sons noticed that her face had changed to form

a smile.

The next morning a church member called, "Madeline visited me. She is so strong, like the wind, saying "I love my spirit. I love the spirit world God created!" A cousin called from Connecticut, saying that in the morning a dove visited her with a pink mark on its neck. Pink was Madeline's favorite color. Red Hook pastor Gavin Hamnett said that Madeline visited and caressed his cheek. In California, Sandra Lowen had a vision that Madeline was meeting church members in the spirit world.

Madeline had no barriers in heaven. In Westchester County, NY, Madeline appeared to a 2nd Gen sister who was struggling, and told her, "God suffered so much, but still loves."

John explained about his matching to Madeline. He had asked Father to be matched to a Japanese sister and was disappointed when Father matched him to Madeline. But when she explained about a dream she'd had four months earlier about him

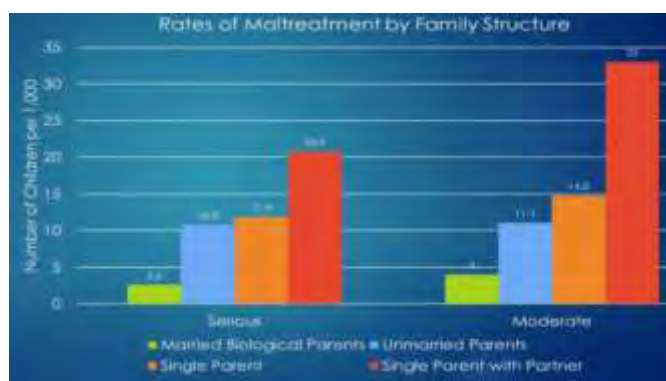

unbuckling her blouse and her angry response to stop him until he said, "But I'm your husband!" And her response, "Then, I must be your wife." Of the 4,000 people Father was matching, he picked the one sister who had dreamed 4 months earlier that he would be her husband."

Before her passing John said to her, "I love you!" She responded, "I love you, too, but I'm not in love with you." And then explained that he often did not listen to her. In the following weeks he repented deeply. Later he asked her, if I met you for the first time and we dated, would you marry me?" She responded by saying, "Of course, I'm not stupid. I love you with all my heart."

After John's testimony Hyung Jin Nim explained, "Father said the last providential organization to be established would be the headquarters for the unity of the physical world and spirit world, so we are living in that time! Madeline is now more powerful, so watch out!"

He went on to discuss the scriptures from Matthew 19, saying, we've been looking at the parables of Jesus in the context of the Kingdom that God wishes to establish. In the Cheon Il Guk Constitution, Principle I is to Maintain the Pure Lineage of God.

Research regarding the rates of maltreatment by family structure shows the benefits of faithful marriage, which is ten times less dangerous than to live with a single parent living with a partner unrelated to the child.

Living with married biological parents is the safest place for children to grow up in. Yet government uses taxation and incentives to take resources and redistribute those to people living unbiblical lifestyles which are actually far more harmful to children.

During the time of the Roman Empire, eunuchs (castrated males) were made, for social purposes, to be servants in Caesar's palace. Consequently, they could never take the subject position in terms of perpetuating their lineage. In Cheon Il Guk, government officials are prevented by the Constitution from taking excessive power. There are limits on taxation, spending, etc.

In Cheon Il Guk, citizens have the rights of Kings to own land and exercise sovereignty. Lucifer was a servant who was not supposed to take the subject position. A politician in Cheon Il Guk must understand that he will never be the subject over his people, that he must serve them. In this context, eunuch = servant, politician who remains in his proper position.

In the Roman empire, you become wealthy by being part of the oligarchy. Oligarchs do not give up their power easily, do not want to see middle class flourishing in an economy has truly free competition. Hyung Jin Nim continued to examine Matthew 19:16-22, where Jesus spoke to the rich young man who was virtuous in many ways, but who could not bear to give up his wealth. This young man must have part of the elite oligarchy. Sadly, many FFWPU leaders fell into the same trap. They could not give up their positions to unite with the successor that Father anointed. The 36 couples valued money more than obeying the will of the Messiah. As it says in the Bible, the first shall be last, and the last shall be first.

May God bless you and your families!

Sincerely,

Richard
