Now at Lystra there was a man sitting, who could not use his feet; he was a cripple from birth, who had never walked. He listened to Paul speaking; and Paul, looking intently at him and seeing that he had faith to be made well, said in a loud voice, "Stand upright on your feet." And he sprang up and walked. And when the crowds saw what Paul had done, they lifted up their voices, saying in Lycaonian, "The gods have come down to us in the likeness of men!" Barnabas they called Zeus, and Paul,

because he was the chief speaker, they called Hermes. And the priest of Zeus, whose temple was in front of the city, brought oxen and garlands to the gates and wanted to offer sacrifice with the people. But when the apostles Barnabas and Paul heard of it, they tore their garments and rushed out among the multitude, crying, "Men, why are you doing this? We also are men, of like nature with you, and bring you good news, that you should turn from these vain things to a living God who made the heaven and the earth and the sea and all that is in them. In past generations he allowed all the nations to walk in their own ways; yet he did not leave himself without witness, for he did good and gave you from heaven rains and fruitful seasons, satisfying your hearts with food and gladness." With these words they scarcely restrained the people from offering sacrifice to them. Acts 14: 8-18

Now we can establish that kind of homeland. In that homeland there will be sovereignty., territory and people. Also, the lineage connects the people as a unified people in that nation, giving them a history that other peoples cannot have. We must carry out our emissary missions in order to restore independence to such a homeland. CSG 2019

Greetings!,

Jesus preached the radical message of God's Kingdom. When we adopt the Kingship mentality we no longer feel beholden to Satanic power structures that indoctrinate us to worship them rather than God.

This is nothing new. During the times of the Roman empire described in the book of Acts, the inhabitants of Lystra worshipped and sacrificed to Zeus, the exploitative, immoral mythical "god," rather than the real

God who created the universe. Centuries before, the Greek philosopher Plato advocated that the "enlightened" state raise all children rather than the natural parents who gave birth to them.

Strong family ties, religious faith and the right to own weapons for self-defense have always been viewed as obstacles to realizing the statist visions of utopian, "scientific" progressives from Marx and Hitler until today's modern day globalist technocrats. During this time when Christ's sovereignty is being restored, each of us must stand in our proper position as Kings and Queens ruling, guiding and protecting our families and building the sovereignty of the nation of Cheon Il Guk.

Our first calling is to be born as a boy or a girl with the task of accepting our responsibility to become a mature man or woman. Yet the satanic culture wants to undermine even this fundamental identity, beginning with indoctrination in government elementary schools where children are taught that they can choose their "gender identity" and continuing with "safe" free sex education that sabotages faithful marriages and responsible, powerful parenthood. If they can confuse youth into adopting a fictitious identity they are able to prevent them from stepping into their true identity as God's sons and daughters.

Since Heavenly Father gave us the three great blessings we are not to accept the domination of government "archangels," especially when their promises require that we abandon the truth of God. As America's first president George Washington said,

"Government is not reason, it is not eloquence, it is force. Like fire, it is a dangerous servant and a fearful master."

The election of Donald Trump represents a hopeful moment for dismantling the arrogant domination of the all-powerful progressive state, not because this "blue collar billionaire" is perfect, but because of God's judgment on the modern technocratic, globalist state. God does not desire us to be slaves. People of biblical faith have been hated and persecuted for all of history, but with the return of Christ and the establishment of his lineage on earth, the power of satanic sovereignties must be exposed and destroyed. As the

inheritors of Christ's lineage, it is our responsibility and privilege to participate in that historic work of God.

May God bless you and your families!

Sincerely,

Richard
