Let the nations be aroused and come up to the valley of Jehoshaphat. For there I will sit to judge all the surrounding nations. Put in the sickle, for the harvest is ripe. Come, tread, for the wine press is full. The vats overflow, for their wickedness is great. Multitudes, multitudes in the valley of decision! For the day of the Lord is near in the valley of decision. The sun and the moon grow dark and the stars lose their brightness. The Lord roars from Zion and utters His voice from Jerusalem and the heavens and the earth tremble. But the Lord is a refuge for His people and a stronghold to the sons of Israel. Then you will know that I am the Lord your God. Dwelling in Zion, My holy mountain. So Jerusalem will be holy, and strangers will pass through it no more. Joel 3:12-17

Filial sons and daughters must fulfill their filial duty while their parents are alive. Loyalty must also be fulfilled when the king is alive. It is no use at all trying to fulfill your filial duty after your parents have died. Loyalty is of no use at all when the king is dead. People who try to do this are deceitful. Rather than making a big memorial service for your parents after they die, it is much better to say even one good thing to comfort them while they are alive. It is much more beautiful to become a partner in their sadness and try to comfort their hearts while they are alive, rather than setting up a service with thousands of kinds of food for them after they die. It is much more precious to fulfill your filial duty before your parents die, rather than just cherish their memory. CSG 2189

Endnotes

I would urge people to get a copy! An excellent apologetic for the 2nd Amendment. A handbook for dealing for some of the big mistakes people make when talking about the 2nd Amendment, self-defense and limiting the power of government. An excellent compilation of some of the major 2nd Amendment topics we need to have at our finger tips!

The Sanctuary Service began with a heartfelt prayer for veterans by Chief Burke, who was in a special force that became the well-known Army's Green Berets. Hyung Jin Nim then showed the entire interview with Elizabeth Vargas from the Arts and Entertainment channel that will be included in an episode on the Unification Sanctuary as part of its series on "Cults and Extreme Beliefs." I think you'll be impressed with Hyung Jin Nim's thoughtful answers to her many challenging and sometimes hostile questions.

Sunday Service - May 27, 2018 - Unification Sanctuary, Newfoundland PA

Even though the A&E will likely not show much of the interview in order to focus on critics and ex-members to make Sanctuary look as horrific as possible, conservatives on the right will understand our powerful biblical message about sovereignty and the decentralized, upside-down kingdom of Kings and Queens jointly ruling with Christ. We will post the entire interview online so that people can compare it with the edited version broadcast on A&E.

Many Christians know this is the Last Days, but don't know where the Lord of the Second Advent is. They will be surprised to learn that biblical passages they've ignored point to a Second Coming of Christ (JCC2) that brings God's Kingdom on earth, as it is in Heaven.

May God bless you and your families!

Sincerely,

Richard
