World Peace and Unification Sanctuary - USA

Whatever you ask in my name, I will do it, that the Father may be glorified in the Son; if you ask anything in my name, I will do it. "If you love me, you will keep my commandments. And I will pray the Father, and he will give you another Counselor, to be with you for ever, even the Spirit of truth, whom the world cannot receive, because it neither sees him nor knows him; you know him, for he dwells with you, and will be in you. John 14:13-17

If you are ready to die for the sake of your Father, God, then God will be right down to save you. If you are ready to die for your husband as a wife, or if you are single, if you are ready to die for the sake of your future husband, he will be ready to appear there and save you. Vice versa for the male members. That kind of thing will be done with the power of God. SMM, Complete Restoration, 6/2/75

Dear

In Sunday's heartfelt message, Hyung Jin Nim explained that Christians who lived in the Roman empire didn't want to serve as soldiers because its military was in service to pagan gods, not because they were against self-defense. He spoke about an upcoming book in development and believes it will spread the right to self-defense throughout the world. We have to prepare for the upcoming harvest including revamping the design of the Unification Sanctuary building. He showed geometric wood art designs. True Father loved the Native American people who he said were also descendants of the Mongolian race.

Second Gen may be kind, but many still feel they are better than others. Many 2nd Gen betrayed True Father. Lineage is important, but God wants their hearts.

Sunday Service - September 16, 2018 - Rev. Hyung Jin Moon - Unification Sanctuary, Newfoundland PA

Martial arts training helps young people to break their delusions. The Han Mother proclaimed the 2nd Generation Age of Leadership a year ago, but then recently cancelled it and replaced them with first generation leaders. In a pointless effort to expand its influence, the Family Federation even invites leftists and pro-gay leaders to its events.

In Korea FFWPU members came to the Seoul Sanctuary to ask questions about why the Han Mother was replaced by True Mother Kang and were transformed within a few hours. They accepted and were blessed under True Father's authority that same day.

God wants children who surrender their hearts to Him. We have to rebuke bad cultures that stifle our desire to save souls. We move FROM the victory into more victory. We were all entangled with sin, one way or another. I was in the same sinful place. We need to get off our high horses.

I see a worldwide revival coming, starting in Pennsylvania. Please have a generous heart. Ask for the convicting of the Holy Spirit. We need not only the masculine side of telling the truth, but also the feminine desire to embrace and take care of people. We need both.

Legal Deposition of the Only Begotten Daughter, 7/13-14/2018

It is heartbreaking, but eye-opening to watch the videos of the July 13-14, 2018 deposition of the Han Mother in Washington, DC in the lawsuit for church assets between FFWPU and UCI.

To even a straightforward question about what it means to be "True Mother" she responds "**I don't think that is something I have to answer here!**"

To this and other questions about the nature of her authority over Unification Church organizations, she is exasperated, impatient, petulant and defensive, even though this lawsuit was initiated by her own choice. She even mocks the lawyer's reasonable questions, **but don't believe me, [watch the videos posted online](#) for yourself.**

Deposition of Hak Ja Han, 7/14/2018 - Tape 1

This led me to think about True Father and Jesus who were proud to tell the truth in a forthright manner, even when they were risking much more than assets.

She finally makes the statement in the first video that *"I was recognized by God as True Mother and Mother of the Universe in 1960 through the Wedding Ceremony of The Only Begotten Daughter."*

We all thought she was recognized because she participated in the "Holy Wedding of True Parents!" I guess we have all been teaching the wrong thing for 4-5 decades? And who is the lucky guy she was married to in the "Wedding Ceremony of the Only Begotten Daughter?" She does not mention his name for reasons that should be obvious to any thinking person by now.

In video 7 of the first day, the following video of **True Father's statement at the Abel UN Inauguration Assembly speech on July 16, 2012** was shown to the Han Mother that "there is no one in the position of Rev. Moon's wife." She testifies that she was not aware of these words

True Father's Abel UN Speech 2012-7-16 "No Mother"

even though she was present at the speech. She also claims to be unaware of True Father's statement in 2005 that the "True Mother could be replaced." Of course, why should she bother to pay attention to Father's words since she has told us in many speeches since True Father ascended that she already knew the truth from birth? She also knew she would live perhaps another 20 years after his passing and could make most Unificationists, or certainly the 2nd and 3rd generations, forget any words she didn't want us to remember either.

Here are statements by True Father from 2005 that may be the one referenced:

"Is there a center of the Unification Movement? Is there a family core? The teacher is enduring all these difficulties until now in order to overcome the tribulations that can only be overcome by properly establishing Mother... Unifying the world is easier than raising a woman and making an ideal wife of her. It's even more difficult than the saying, 'Learn to rule yourself before you rule the universe.' Mother does not know about this. She should be listening right now. She should know this. Do you know what she said yesterday? She said, 'Father works by the Principle but I do not.'" (February 21, 2005)

"Mother, you should not be mistaken about this. God did not tell Father to unite with Mother centered on Mother. There is no such law. You must place your husband at the core of your heart, along with God who has become one with your husband, and engage in absolute faith, absolute love, and absolute obedience." (March 2, 2015)

"Mother needs to become completely united with Father by the time we enter the greater world. Mother does not know this. Until now, Mother has been just like any other woman in the world." (July 3, 2005)

It is clear that FFWPU leaders had not informed her about Father's despairing statements that his own wife was far from him. I guess they were all afraid to report honestly, so she was kept in a self-imposed bubble. In the end, the Only Begotten Daughter is... alone.

Since the H.S.A.U.W.C. filed yet another lawsuit against the Unification Sanctuary on July 30 we can all look forward to 7-8 more years of litigation and the expenditure of millions of dollars.

I could write another 10-20 pages, but let me ask one simple question:

Family Fed brothers and sisters, are you happy to see

precious funds bought with our blood, sweat and tears squandered in this way? Some of you have written to me expressing your desire for unity and peace within the True Family and Unification Movement. If that is your sincere desire, why don't you write to the Han Mother and the Family Fed leaders and directors, and demand they stop these lawsuits which make no one happy, except Satan.

Final Note: Lest Preston and UCI think that the Han Mother's sad testimony confirms their claims to legitimacy and \$2 billion in assets, they should listen to True Father's words to Mr. Kamiyama on July 16, 2010. Father says,

"For example Hyun Jin Nim... So far only Kook Jin Nim and Hyung Jin Nim are connected to me. Other people are outsiders. They can't go to the inner circle. Even if they solve problems selfishly by themselves, it doesn't connect to the future world. Absolutely not... He (Hyun Jin) left a long time ago, many years ago... It has been more than 10 years since they left... Why do they resent Father? Why do they hate Father? Do not reject me... Nothing good will come out of being disloyal to Father."

True Father spoke to Mr. Kamiyama on the boat 07.16.2010

Miho Panzer's Testimony on 9/9/18

Recently I have been wondering about my relationship with Jesus. I felt close to Father, but not really to Jesus, but during the Sunday Service on 9/9/18 towards the end, Hyung Jin Nim began to speak deeply about Jesus, and how much Father loved him the most, and how we are all connected together around the world like a vast grape vine because of them. I could see someone standing behind Hyung Jin Nim. Immediately I realized it was Jesus, and he was smiling. He stayed there with Hyung Jin Nim and with all of us for a long time. I felt that Jesus and True Father are with us, with no distance, all the time.

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

Centering on the Holy Scriptures from the Old, New, and Completed Testaments, let's explore the beautiful oneness of Jesus Christ and True Father. They are the sons in whom our Heavenly Father delights; the unblemished lambs whose lives were complete offerings to Heaven.

Meditation for Christians: A Biblical Approach

FLL-MCE Saturday 5:00 pm EST

Meditation is often misunderstood as a practice that belongs to eastern religions, a mental or "relaxation practice" ... But actually meditation, contemplative prayer and the contemplative reading of God's word have been part of Christianity from the very beginning. As it is written: "Let my meditation be pleasing to Him, as I rejoice in the Lord" (Psalms 104:34). In our daily life, we may find ourselves stressed, over-scheduled, and unfocused. But by using key Biblical passages as our guide, we will learn together how to cultivate both greater peace and wisdom, as we impress the word of God deep into our heart and mind. If you are looking for a way to connect to God on a daily basis, then biblical meditation is for you!

Цель этого курса – дать уверенность в том, что единственным надежным и верным советчиком воспитания детей является Библия. Это откровение Бога, обладающего безграничным знанием и мудростью. Бог даровал нам откровение, которое является ясным и полным. Оно дает нам правильное и всеобъемлющее представление о детях, родителях, семейной жизни, истинных ценностях, воспитании, обучении, наказании – обо всем, в чем мы нуждаемся, чтобы успешно выполнять задачи, стоящие перед родителями. Божьи методы воспитания не показали себя несостоятельными, их просто по-настоящему не применяли.
