Dear Brothers and Sisters,

Our beloved elder sister, Keum Soon Park, ascended to the spirit world on October 22, 2022. She passed peacefully in her sleep.

Mrs. Park and her late husband Chong Goo ("Tiger") Park are part of the 36 Couples' Blessing. She has been in America with her family since 1977, and has raised her 9 children on her own following the passing of her husband in 1982. Her faith and gratitude to True Parents have been truly exemplary and serve as a model to us all.

While preparations are being made for a Seonghwa Ceremony in Korea, there will be a national Seonghwa Memorial Service on October 24, at 6pm Eastern at the Belvedere Family Church. There is also an opportunity to pay your respects at a viewing on October 24, from 2pm to 5pm at the Edward-Dowdle Funeral Home in Dobbs Ferry, NY. Please see below for more information.

Let us join together to celebrate and honor Mrs. Park for her incredible devotion to Heavenly Parent and True parents, and for her contribution to God's providence. Let us offer our heartfelt support to Mrs. Park's family, and offer our sincere prayers for her victorious transition to a new eternal life in the spiritual world.

Please see below Mrs. Park's biography and information of the Seonghwa Memorial Service.

Sincerely,

Rev. Naokimi Ushiroda

Victorious Life of Mrs. Keum Soon Park February 12, 1938 - October 22, 2022

Keum Soon Park ascended to the spirit world to join her husband Chong Goo ("Tiger") Park on October 22, 2022. She passed away peacefully in her sleep.

Mrs. Park, born on February 12, 1938, joined the church while in high school in South Korea. She took part in the 36 Couples' Blessing.

Soon after her blessing, she and her husband went to the countryside, raised money, and built a school for the underprivileged. She wrote calligraphy to support the raising of funds to build the school. She took

great pride in her calligraphy skills and often shared how True Father once complimented her work.

In 1977, Mrs. Park and her family immigrated to the United States to CA. There, she was a devout member of the church community and supported her husband in CARP activities. In 1982, her husband passed away, and since then, she raised her nine children on her own. She was always grateful to True Parents for their support at that time.

True Parents commended her for her devotion and prayer at the time of Danbury and for her incredible faith and an exemplary, prayerful life. She set a condition by doing years of morning fasting and hours of prayer per day for the providence, family, faith, and the True Family.

Mrs. Park loved fishing and was proud about how she caught the biggest fish in a fishing challenge in Paraguay when she was there. She also loved telling the story of how she broke a record when she caught a 47" striped bass in the Hudson River.

She took tremendous pride in being the wife of Rev. "Tiger" Park and the nine children they brought into this world. Mrs. Park is survived by her seven sons, two daughters, twenty four grandchildren and two great grandchildren.
