July 29, 2018

Our new Witnessing and education department hold a seminar on July 29, 2018, with the theme "became the hope of the 2020 Vision for the restoration of Angola". We had 119 participants.

In this seminar, the strategy and goal of heavenly tribal messiah was presented to the members to help participants to know where we should be focusing from now on to support our True Mother with the victory of Vision 2020.

This strategy presented to the members will allow Angola to bless many people and the goal is to reach half of the population, till the vision 2020.
