Peter Oscar Phillips

March 31, 2018

During the month of March, we attended an interfaith service with the Church of the Nazarene.

And over the Easter holy, we held a two-day seminar on True Family values. The objective was to help participants understand about True Parents and the Blessing.

Rev. Peter Oscar Phillips, national Leader gave the lecture. Beside our member, we had four new guests on the first day and nine new guests on the second day.
