

True Heavenly Parent Day Celebration in Scotland

Hamish Robertson
February 2, 2014

We celebrated True Heavenly Parent Day in Scotland on Sunday (2nd Feb) at South Queensferry. Heidrun Williamson read True Father's last God's Day speech, from 2012. We showed three sections of the DVD of Divine Principle with CV Davies' voice on the full screen. Members have received copies of this DVD to help in educating guests and contacts. I gave an explanatory talk. Hazel Fraser Harris gave a short report of the Youth Leadership meeting at Chislehurst last weekend, and hopes to start group meetings in Glasgow. Following the service we had pot-luck lunch and good conversation. 21 members attended.
