In the 13th year of Cheon Il Guk, when we attend the Creator Heavenly Parent substantially, let us, the Blessed Families around the world, become true sons and daughters of Cheon Il Guk who fulfill our responsibility as the chosen people in unity with True Parents!

A group of five people are standing behind a table covered with a white cloth, participating in a candle-lighting ceremony. From left to right: a man in a dark suit and glasses holds a lit candle; a man in a red military uniform with a red beret is lighting a candle; a woman in a red jacket and glasses holds a lit candle; a woman in a grey blazer holds a lit candle; and a man in a dark suit and clerical collar holds a lit candle. The table has several white candles, some of which are already lit. The background shows the interior of a church with wooden pews and a painting on the wall.
