PARENTS' MATCHING CONVOCATION: SEPTEMBER 21-22, 2012, SAN FRANCISCO, CA

We are pleased to invite parents to the second Parents' Matching Convocation (PMC) of 2012, to be held in Emeryville, CA (near Oakland) on September 21-23, 2012. All of the necessary registration and schedule information is contained in this memo. A third and final PMC will be held in New York on November 2-4, 2012. Details and registration for the New York convocation will be available later this month.

Matching Candidates 24 years or older are also welcome to attend, in order to learn more about the matching process and take a more active role. A separate program for these young adults includes innovative educational materials, special breakout sessions, and personal meetings with Matching Advisors.

The PMC provides an opportunity for parents to understand the matching process, learn from those who have matched their children successfully and network with other parents to learn about potential matching candidates. The PMC is not a place to finalize matches but to connect with other families, discover potential candidates and help formulate a clear Family Matching Plan, to be finalized with your candidate. We recommend that parents attend a PMC before beginning the matching process with their children. Parents whose children are at least 16 should participate in a PMC simply to learn and prepare.

Participants in this PMC will learn the updated guidelines for the matching process and receive the newly published Family Matching Handbook. They will learn about the matching websites, the international matching process and other resources to support them in matching their children. They can also meet Matching Advisors who are prepared to assist and support them.

The PMC registration process and submission of candidate information and photos is entirely online. The PMC application and profile process is integrated with the registration process for "Matchbook," the online matching site at www.blessedfamilies.org. Candidates and their families can apply once and indicate where and to what extent their profile and photo information can be accessed by others, from total privacy, by permission only, through advocates or advisers, etc.

Preparing Candidate Profiles

Parents may attend the PMC without displaying a candidate, and candidates can be displayed at the PMC without their parents being present. But candidates can only be displayed with their permission and involvement. No parent should attempt to display their adult child as a candidate or pursue a match without the candidate's agreement. Every candidate and family should do the following:

Complete the candidate profile page at the PMC registration site. This will allow candidates to participate in Matchbook, PMCs, or both, and to designate their preferred level of accessibility.

Complete the additional 9-question personality profile at the profile page – optional for Matchbook participants but required for candidates at the PMC. Candidates should complete these profiles themselves. NOTE: unless all 9 questions are answered, the profile cannot be printed for display.

Upload three good-quality photos at the profile page – one half-length (head and torso) and one full-length of the candidate and one family photo. The profile and photos are required, but can be uploaded after registration. These must be uploaded by September 12th for the San Francisco PMC. If parents bring photos or profiles to the PMC that require scanning or copying to be displayed, there will be a \$20 charge, and we cannot guarantee how quickly the material will be ready for display.

Some other good ideas for preparing for the PMC include:

Visit the link below and use one or more of the resources recommended there to more fully understand your adult child's character, and prepare a fuller profile:

http://www.familyfed.org/members/index.php?option=com_content&view=category&layout=blog&id=949&Itemid=626

Be creative! A poem, photo montage or personal story also conveys who you are, and can be added to your profile at the PMC. Parents can also prepare “contact cards” with the candidate’s picture and your family’s contact info to give to other parents at the PMC.

IMPORTANT

If your candidate’s profile has not been updated since September 2011, you must contact us at BFAdmin@unification.org if they still wish to be displayed. We strongly recommend profiles be updated and improved, with your adult child’s permission and participation. We will not display any old profiles unless we have heard from the candidate that they wish to be displayed.

For additional information visit the registration site or contact BFAdmin@unification.org. We look forward to seeing parents at this PMC and to supporting candidates in the process of matching and Blessing.

May God be with you and your family.
