

# Sunday Service 2014 – Open House

Stuttgart, German South Region, 6. July 2014

Dear brothers and sisters,

In case you want to know what happens when 120 people from 20 nations, Brothers and Sisters, friends of the Unification Movement and next door neighbours gather together for a Sunday Service to honour and praise our Heavenly Parents, then please take a look at this report and the inspiring photos.

It started in 2013 when the Stuttgart community invited Munich and Nurnberg to attend our Sunday Service. After the positive feedback from the first time, we decided to continue with the tradition.

*Our sister Elisa enjoys doing the MC  
Karl-Christian Hausmann giving the sermon on the topic: The Adventure of love continues!*

*Welcoming 2 couples who served for many years as foreign missionaries in the Philippines and Equatorial Guinea.*

*BBQ and a well-organized buffet was enjoyed by all*

*Traditional Greek dance lessons*

*Traditional South-American Dance lessons from Alicia*

*Enjoying the moment of dance*

*Exhausted - but HAPPY*

The best reward for all those that helped to make it a success was when all guests expressed that they hoped there will be a: **OPEN HOUSE SUNDAY-SERVICE 2015**
