IMPORTANT: HORIZON SUMMIT UPDATE FROM WFWPI

Dear WFWP friends and colleagues,

Earlier this week, the UN made a decision to cancel the 64th Session of the UN Commission on the Status of Women (CSW64), due to concerns about the coronavirus.

Yesterday, following a number of serious conversations with senior WFWP leaders, as well as stakeholders in the greater New York area, we decided not to hold the Horizon Summit on Saturday, March 14.

This was not an easy decision to make, however, we are confident it is the right decision. It is our plan to reschedule this event later in the year. All of the speakers look forward to being a part of the program when the Horizon Summit is held.

The WFWP, International Office in New York will refund all who registered to attend the Horizon Summit for the full amount of the fee.

On behalf of WFWPI and WFWP, USA please accept our heartfelt appreciation for your ongoing support. We look forward to working with you to expand the foundation of lasting peace in the world.

Vice President, WFWPI
