GIVING FOR GOOD

#GivingforGood #WfwpUSA

A couple weeks ago, we shared with you the first **exclusive previews of Women's Federation for World Peace (WFWP) Founder, Dr. Hak Ja Han Moon's** donated items for the **Giving for Good Project**. Now we are very excited and thrilled to inform you that there will be a live auction for Mother Moon's 12 donated items hosted by WFWP Japan on Zoom.

If you would like to attend the event, please send us your name and email at info@wfwp.us by **May 27 (tomorrow night at 9 PM EST)**.

In the United States, the **live auction will start on Friday, May 29 at 10 PM pacific time and 1 AM eastern time on Saturday, May 30.**

Due to the time difference, it would be difficult for those who live in the United States to attend. Therefore, **if you are unable to join the live auction, and would like to place your bid on an item, please email us at info@wfwp.us by May 27 (tomorrow night at 9 PM EST)**. Please specify the **item number** and **your starting bid** when you email us.

For more details including the item number, initial bidding prices and method of payment, please scroll down to download the attached document called "live auction details" below.

All the proceeds from the auction will be used for Covid-19 relief charity and WFWP humanitarian activities. We look forward to hearing from you!

We are so moved by Mother Moon, also known as the Mother of Peace, who gives and pours her full heart into everything she does to bring God's unconditional love to all. **As of now, Dr. Hak Ja Han's autobiography will be available on Amazon.com tentatively on June 8, 2020.** We cannot wait to deep dive into her incredible, historic life. We highly recommend purchasing your very own copy, as **there is no doubt this book will profoundly inspire and transform your life!**
