Dear friends,

This is a reminder for our upcoming National Weekly Prayer call, which is a continuation of a previous prayer effort of our WFWP national chairwomen. It is also an initiative toward bringing healing and positive change to our hurting nation. Please, view our official message with regards to the unjust murder of George Floyd [here](#).

We invite you to join in this universal prayer effort as we will be reading and also studying a speech by our Founder, Dr. Hak Ja Han Moon entitled: *"Mothers are the Hope for Humanity,"* followed by brief reflections from participants and ending with prayer, for no longer than 20 minutes.

We trust that you will come away inspired and enriched by participating in the national prayer for peace.

With warm regards,
Angelika Selle
