Dear friends,

Thank you to all those who joined and participated in our National Prayer call on Saturday, July 18th, as an initiative toward bringing healing and positive change to our hurting nation.

We invite you to listen to the recording in case you missed it and share it with those who you feel would benefit from it. **Our prayer focus is to 1) bring God into our families, society and into our nation as the first and highest reference point of all faith traditions, 2) healing ourselves and our nation, and 3) collaboration among women and mothers of all races in bringing solutions to our current social ills.**

Again we opened the call with a powerful prayer for peace and reconciliation and read two paragraphs on page 280 from the memoir of WFWP Founder, Dr. Hak Ja Han Moon, entitled *"Mother of Peace: And God Shall Wipe Away All Tears from Their Eyes."* This was followed by brief and profound reflections from participants, closing with prayer and remarks from WFWP USA President Angelika Selle. Please review the paragraphs that were read on the call if you like below.

May we continue to pray for peace, and we look forward to connecting with you again this Saturday.

With warm regards,
Angelika Selle

Reading for Saturday, July 18, 2020:

"If you reflect on God's heart, you will recognize that the hardships and suffering that you may be going through are nothing compared to His. We have to repent before God. You did not bring yourself into the world. Your life is a gift from God. His will for us is that we make our lives beautiful and worthwhile. When we believe in our hearts that we are here for our children and family, for our spouse, as well as for all humanity and the entire world, we will find happiness.

In all of this, your heart is your closest teacher. In the face of difficulty or confusion, ask your heart. Your Heavenly Parent who loves you resides deep in your heart. You are designed to hear God's true voice. We all need to hone our ability to hear God's whisper in our hearts. Your heart is your eternal guardian. Heartfelt prayer is the only passageway to God. Through such true prayer, you will receive the grace of God and True Parents in even the most destitute and difficult place. The helping hand of that grace leads us on the free and happy path to the kingdom of heaven."
