Dear women, mothers and ladies of peace,

**Greetings as we entered the count down to a brand new year!**

We are happy to convene one more time with our Interfaith Women's Prayer Circle of Peace and Healing for America **this coming Saturday, December 19, 2020 at 1pm - 1:30 pm EST**, to close out this eventful year in prayer and thanks.

Please, find a special reading/quote from our Founder, Dr. Hak Ja Han Moon, food for thought and reflection. (SEE BELOW)

We begin with an opening prayer, this reading below, followed by insights and takeaways from participants from this reading and also previous prayer circles, and a closing prayer for peace.

We look forward to ending this year together in prayer, which is an expression of our most sincere hearts.

Till then, stay safe and healthy!

Angelika Selle

**Reading for Saturday, Dec 19: Pyong Hwa Gyong, Book 1, God is the Origin of Peace, Korea, 2002**

**Dr. Hak Ja Han Moon: *"Throughout his life, Jesus never said he wanted to receive love. Rather he said he came to serve, and that he would love even his enemies.***

***Without that kind of love, we cannot find the origin of peace; and without the origin of peace, we cannot establish a world of peace. The world of peace can never come to exist as long as we focus only on receiving love."***
