Listen to a special message from WFWP USA President Mrs. Angelika Selle. She shares what is needed to create greater peace and to build a culture of heart!

**Create Greater Peace in 2021!**

**Yes! I want to create greater peace**

**You, our friends and supporters, are like the "fresh air" to us.**

**Thanks to generous support and love, we did not sit still this year, and we have even bigger plans for 2021!** We are preparing to increase our network even more, reaching more influencers and putting WFWP visible in every state.

[Your donation will make our plans possible](#) We will continue to promote a new paradigm of peace leadership for women, under the motto "Living for the Sake of Others." Our goal is to reach \$20,000 by the end of 2020 so we can continue to build Greater Peace in 2021.

WFWP USA works for sustainable peace, through our educational series **Leadership of the Heart**, and **Cornerstone for Happiness**, and expanding the **Global Women Peace Network** to strengthen our impact.

Help women share their nurturing and resilient hearts with the world!

*"The time has come for humanity to tune our ears to the sound of heaven."*

*- Dr. Hak Ja Han Moon*

This year has been a whirlwind of unexpected challenges. We've had to adapt our daily lives to new circumstances, manage our own stress, and

care for our families and communities in new ways. Having a larger community of people dealing with the same challenges, available to us night and day on social media, has been a blessing. There are countless voices and personalities online with advice, resources, and sympathy that we can tap into. But there is one community that we feel is unmatched in providing a place of inner renewal, where women can connect with the big vision of Creating a Culture of Heart: Women's Federation for World Peace USA!

Your kind donation today will ensure that women sharing the Culture of Heart can continue programs like our Global Women's Peace Network Forum series, which brings the wisdom of business and academic leaders, and many others, into the service of a new culture.

This season of giving, our goal is to raise \$20,000 by December 31st. Your support will keep WFWP strong in 2021! Together we can continue to empower women with knowledge, skills, and a supportive community to discover their unique value and create lasting peace.

A few highlights from this year:

- Over 12,000 people received WFWP education through social media, TV, and radio
- Nearly 1,000 people participated in WFWP education programs
- Over \$12,000 was raised by the Northern California chapter for our Schools of Africa
- WFWP Girls in New Jersey delivered “Bags of Love” gifts to healthcare workers
- Partnership with Stand Up to Poverty’s Haiti medical mission trip
- “Turn the Tide” weekly phone prayer circle

Comments from WFWP program participants:

*"I am looking forward to this happening growing bigger worldwide. It was fun and brought much happiness to everyone."*

*"I [am] inspired as a woman. I can't give up. I am a builder of peace that starts with me, my family, and society."*
