Dear women leaders and sisters in faith,

**HAPPY NEW YEAR 2021!**

We hope you had a wonderful transition into a brand new year!

New opportunities of growth lie before us on many levels, which we will be discovering step by step through our prayers, our heart to heart connection and our investment of love for the sake of others!

We are starting a new cycle for this Interfaith Women's Prayer Circle of Peace and Healing for America in this new year, and I would like to **introduce Linda Nishikawa as my co- host**, as we will be taking turns in facilitating this wonderful circle of the HEART!

Our first interfaith prayer circle will begin this **Saturday, January 2, 2020 at 1pm EST** with an opening prayer, a universal spiritual text reading from our Founder, Dr. Hak Ja Han Moon, followed by reflections from participants, ending with a closing prayer and announcements.

**We look forward to hearing you on the call this Saturday.**

**THE BEST IS YET TO COME - in 2021!**

With love and gratitude,  
Angelika Selle and Linda Nishikawa

***“When our mindset (and heartset) changes from wishing to receive love, to wishing to give love, the world peace will be at hand.”***
