A big thank you to everyone who donated to our end-of-2020 giving campaign, who "liked" and shared on social media!

You got us to our \$20,000 goal! 2021 is looking bright thanks to women and men of peace who desire to uplift women to be the turning point of peace. Thanks to your love and support, WFWP peace building programs can continue in the new year, and together we can reach many more women leaders in fields such as business, education, and media, and collaborate to create a true Culture of Heart!

"Women's Federation helps empower women everywhere with a heart for family, the community and peace. I'm all for those objectives."
