"When our mindset (and heartset) changes from wishing to receive love, to wishing to give love, the world peace will be at hand."

- Dr. Hak Ja Han Moon

Dear women peace leaders and women of faith,

Happy Valentine's Day 2021!

As we prepare for our **Interfaith Women's Prayer Circle for Peace and Healing this Saturday, February 13, 2021 at 1pm EST**, we will also reflect on the deeper meaning of love, true love and God's love and how it translates to our daily relationships. We need true love indeed everywhere!!

Kindly read and reflect on the quote below before our prayer session, and be prepared to share any insights or answers, so we may learn from one another.

We invite you to also inspire another friend, family member or colleague to join this circle for peace and healing.

Looking forward to hearing you on the call!

**Sincerely in prayer,
Angelika Selle and Rev. Dr. Linda Nishikawa**

Reading for Saturday, February 13, 2021 from Book Three of Dr. Hak Ja Han Moon's Anthology, pages 173-174:

What is True Love?

"When you enter into a relationship of true love with God, you will be given absolute authority to have dominion, ownership, and the right of inheritance. In the world of mechanics, the energy produced by a system is less than the energy put into it. However, in the world of true love, the energy produced is greater than the energy put in."

What is True Love? It is love that lives for the sake of others. It is love that gives and forgets without limit. No memory is kept of how much was given. It is love that never tires of giving."
