Dear Women Peace Leaders and Women of Faith,

**HAPPY MOTHER'S DAY 2021!**

We hope you will spend wonderful moments with your family, either in person or via zoom during this weekend.

**For those who are free to come together in prayer and pray for ALL MOTHERS OF THE WORLD, those before us and those after us as well, we welcome you.**

**Please, read the text below and reflect on that amazing love that mothers possess.**

We will meet via phone this **Saturday, May 8, 2021 at 1 pm ET** again, as the Interfaith Women's Prayer Circle for Peace and Healing reconvenes. Feel free to also invite other family members, friends or colleagues to participate.

With love and thanks to all mothers!

**A mother's hand soothes a stomach ache**

"Mommy, my stomach hurts."

When a child complains of stomach ache, his mother lays him on her lap and rubs his tummy without a single word. Her hands may be gnarled and rough, but in a few moments the child feels better. This may be a simple approach, but it is a practice based on love. We all dimly remember our mother's warm touch. This is the very touch with which I long to embrace all of humankind as a mother of the universe and a Mother of Peace. As we know from our own experience, a mother hears her child's cry very clearly and she has no thought but to quickly run to her child. This is because a mother's love and attention are directed solely towards her children. A mother will walk through a fiery pit without hesitation to save her child.
