***“The loveliest masterpiece of the heart of God  
is the heart of a **mother.**”***

—St. Therese of Lisieux

Wishing all mothers, and mothers to be a joyful and happy time  
with family and loved ones  
as we reflect on the deep love of a mother!

### *MOTHER OF MINE*

*Your beauty in heart is indescribable  
You touch so many people's lives  
People you know and people you don't know*

*You embrace everyone in your way  
You give to whoever is in need or not in need  
You forgive even those who don't deserve it*

*Oh mother of mine, how I wish I could be like you*

*Your beauty is both inside and outside  
Your heart is pure  
You see goodness in people*

*Who says God does not exist or they can't see God  
As for me God exist in you  
When I see you I see God*

*Oh mother of mine, now I know I can be like you  
Or even more because you taught me how to LOVE*

*Dedicated to True Mother, Dr. Hak Ja Han Moon*
