Hello Friend,

We hope this message finds you well. **Women's Federation For World Peace USA** would like to share with you some highlights about a remarkable human service project WFWP USA supports—**The Arabic Literacy Project**, information on becoming a WFWP USA member, and how your membership helps **“create a Culture of Heart for a more peaceful world.”**

Literacy development is a vital part of overall development, for it is the foundation for doing well at school, socializing with others, problem-solving, and making decisions. But beyond the functional level, literacy plays a critical role in the transformation into engaged citizens of the world.

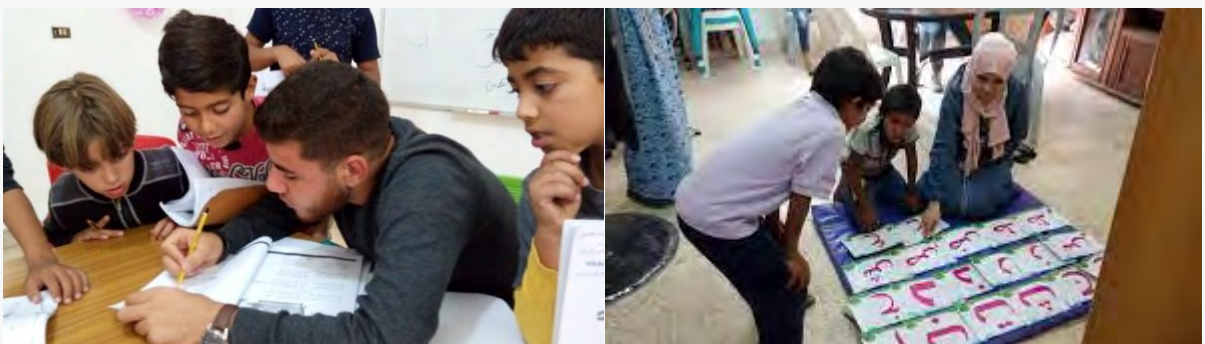

WFWP USA began supporting the Jordan Arabic Literacy Project in 2018, and the WFWP Center, located in the refugee camps, is one of the few places students can study; especially amid the pandemic.
