*Dear ladies,*

*It was a most delightful and moving ceremony last Saturday at the UTS graduation in New York City.*

*Again we are very proud that our Vice President*

*Rev. Juanita Pierre-Louis was able to graduate with a Masters in Interfaith and Peace Building in spite of her very busy schedule and responsibilities as a leader and mother. As Fannie mentioned in one of her congratulatory notes, women are really unique in multitasking and doing it all.*

*Please enjoy snapshots I took on that day.*

*Congratulations again!*
