## **WFWP USA Donation Distribution UPDATE**

The donations raised by WFWP-USA since the first devastating earthquake in Nepal 17 days ago have been sent directly to WFWP- Nepal, and used in remote areas that are often overlooked in relief aid efforts.

WFWP was the first organization to reach both Nuwakot and Rasuwa to support the earthquake victims.

WFWP distributed rice in the Nuwakot District in the village of Gangate to families whose homes were totally destroyed. Nuwakot is 80 km from Kathmandu.

- 30 kg (66 lbs) rice bags for 75 families

After Nuwakot the team of WFWP board members travelled to Rasuwa to distribute tents. Rasuwa District is 120 km from Kathmandu.

- Tents: 50 families

In Conclusion:

WFWP Nepal felt very proud to reach places that were not getting relief

from any organization or the government.  
All the people that got support were very happy and very thankful to WFP-USA and WFP-Nepal.  
We could help only a few families so far, although many need more support. WFP USA will continue to send donations directly to WFP Nepal to reach those in need. If you would like to donate to these ongoing efforts, click the button below!
