## ----- Carrying on Dr. King's Legacy -----

Dear friends and families,

Today we commemorate Dr. Martin Luther King Jr's birthday and honor his legacy and message:

**Let us all hope that the dark clouds of racial prejudice will soon pass away, and that in some not too distant tomorrow the radiant stars of love and brotherhood will shine over our great nation with all their scintillating beauty.**

**Nonviolence means avoiding not only external physical violence but also internal violence of spirit. You not only refuse to shoot a man, but you refuse to hate him.**

May these words exemplify the goals, beliefs, and actions of all Americans, and that with this spirit of love, righteousness and beauty, we will transform the world.
