

**On Behalf of Women's Federation for World Peace USA,
HAPPY MOTHER'S DAY!**

May 6, 2016

On this special day we celebrate all mothers for your invaluable contribution to your families, communities, and to a world of peace!

Today we are reminded of the WFWP 10th Anniversary, where our founder Dr. Hak Ja Han Moon spoke on "The Hope for Humanity Comes from Mothers." See the excerpt below:

Enlightened women are the center of the love, peace, and service that preserve the family, and a sound, healthy family is the school of love and virtue. The starting point of world peace lies with the mothers at the center of such families, families that perfect and bring to fruition God's true love.
