Dear friends and supporters,

We are thrilled to be able to invite you, your friends, and family to the momentous God Bless America Family Festival, that will be attended by our Co-Founder, Dr. Hak Ja Han Moon! It will be an uplifting experience reaffirming the vision for America Rev. and Mrs. Moon emphasized 40 years ago at Yankee Stadium:

*That strong, healthy families are the cornerstone of a strong nation, and that America is indeed God's hope to establishing a **world of peace**, transcendent of color, nationality, and religion.*

Let's come together in support of this vision of peace through God-centered marriage, families and relationships. We hope you will feel inspired to show your commitment to these essential values and this historic event by celebrating with us as family.

The festival is hosted by Family Federation for World Peace, and will take place from 10am to 3pm on **June 5, 2016**, at the co-founders' family estate (723 S. Broadway, Tarrytown, NY 10591). Women's Federation for World Peace USA will be hosting a vendor table, so be sure to stop by!
