PLEDGE FOR THE BLESSING CEREMONY

- 1. We desire to participate in the Marriage Blessing Ceremony, renewing our commitment as an ETERNAL husband and wife. We understand and support the ideal of the Blessing to achieve world peace through true families.*
- 2. We will establish a family tradition of which God can be proud. We pledge to practice the principle of purity until marriage and absolute fidelity in marriage, and to raise our children to inherit these values, passing them on to future generations.*
- 3. We will love all people and families of the world as God does, beyond race religion or nationality, realizing the one great family of humankind that our heavenly Parent desires.*
- 4. We recognize that the Blessing is a ceremony of spiritual dedication and not a legal marriage, and that to be legally married we should comply with the marriage laws in the country in which we reside.*
