

Happy International Women's Day

from Women's Federation for World Peace USA

Hello, dear women, mothers, women leaders and friends,

Wishing all a most happy, joyful and uplifting International Women's Day and Women's History Month of 2017!

Remember Who You ARE:

**Our deepest fear is not that we are inadequate.
Our deepest fear is that we are powerful beyond measure.
It is our light, not our darkness that most frightens us.
We ask ourselves, Who am I to be brilliant, gorgeous,
talented, fabulous? Actually, who are you not to be?**
