

WFWP Annual Membership Month, Igniting a Culture of Heart

Angelika Selle

April 14, 2017

April is WFWP USA's annual membership drive.

With your support as a WFWP member, more young women like Miambi will have the tools and resources needed to make an impact in their communities and beyond. ***Read her story below!***

If your membership is current, consider inviting a friend to become a part of the WFWP community.

Dear Friend of WFWP USA,

She saw it all around her. In store windows. On billboards. In movies. On Internet sites. The message was clear: "Love equals sex." Even food ads had a sexual message. For Miambi of WFWP Atlanta, that message was out of line with her view of a healthy and harmonious society. With an understanding, rooted in her faith, of what real human relationships are, and skills and knowledge gained as a member and officer of her local Women's Federation for World Peace chapter, she set out to make a change in the culture.

The young ladies who gather together for the WFWP RealTalk Forum are able to share with one another, openly and honestly, about what it's like to navigate the current culture and what it says about a woman's value. They tackle big questions such as, "What is a real woman?" and "What is a real man?" They've determined that they have the power to choose when and how they engage in the most special and intimate relationship of their lives.

Miambi hopes to expand the forum to include interfacing with like-minded young

men's groups since the issue encompasses all people, women and men. She was surprised, too, when younger girls who were present to assist WFWP Atlanta at the RealTalk venue ended up staying to listen. These girls felt empowered after hearing from older sisters to make a change now within themselves.

With the right support, these young ladies can take their message to the national and international stage, with a Facebook page, photographs, video, with "Real" media! **With your generous and timely support as a WFWP member, more young women like Miambi will have the tools and resources needed to make a big impact in their communities and beyond.**

In 2016, WFWP USA members made possible nationwide: 14 leadership and women empowerment activities and 8 Family Life education seminars

- 17 local service projects and 16 projects supporting those in need overseas
- 10 Bridge of Peace reconciliation ceremonies and a total of 27 peace, intercultural, and health and healing programs

This year 2017, the Year of the Rooster, we ask for your support to "Ignite a Culture of Heart" with your renewed WFWP membership. The Rooster is, after all, honest, warm-hearted, and most importantly, crows loudly to bring the sun and ignite the world! Sign up during our April membership drive to receive a special thank you gift in addition to membership benefits.

We invite you to share your heart, take your stand, and bring a new day for women of peace.

With gratitude and excitement,

Angelika Selle
President, Women's Federation for World Peace USA
