\*Doesn't include complete tallies from  
some of the hardest-hit areas

**12,700**

Homes were destroyed  
\*Doesn't include complete tallies from  
some of the hardest-hit areas

## Current Situation

Houston Mayor Sylvester Turner is focused on providing housing. Southeast Texans are also in need of supplies, food, safe drinking water, medicine, and are tasked with the removal of massive amounts of garbage and waste.

The Environment Protection Agency and the U.S. Centers for Disease Control and Prevention are also concerned about the health risks related to excessive mold and wastewater releases from sewers.
