Dear Friend,

Goodness grows when we find our voice, speak out, and plant the seeds of peace and love.

For Rhia Luz Nkulu, WFWP-Arizona chairwoman, Women's Federation for World Peace is a community of encouragement and revitalization.

Empowered by WFWP, she felt courage to follow her dream of starting and hosting her own radio show, a vehicle to share positive stories and promote healthy relationships.

On the first episode of Buhay-Buhay sa Amerika! (first Mondays @ 8PM Mountain time) on **entremujeresradio.net**

(Woman-to-Woman internet radio), Rhia conversed with young pageant winners in the Filipino community and their moms, who shared how they bond with, encourage, and learn from one another.

Mother to daughter, woman to woman, on the air, and online; you can help WFWP empower women leading (and speaking out!) through the

Logic of Love in their communities.

This season, let's grow goodness.

Anything you can give makes a huge difference. **Make a tax-deductible donation today to keep WFWP strong in 2018.**
