Your gift to WFWP helps women keep their families strong

Donate Today!

Dear Friend,

It has been an amazing year, and we are looking forward to an even more amazing 2018!

We are grateful for folks like you who share the dream of bridging the divides within and between communities, and creating lasting peace in the world. In 2017, for example, together we made possible 9 Family & Marriage educational programs and 13 Bridge of Peace reconciliation programs to heal the human family.

Your tax-deductible donation to Women's Federation for World Peace will keep the goodness growing! We can give families the tools they need to stay strong and connected, and to connect in heart as one human family under God.

Best wishes!
