**Let's grow goodness together!**

Dear WFWP,

Have you given your end-of-the-year tax-deductible charitable donation yet?

Will you give to help reach our New Year's Eve **goal of \$1200**? Our goal amount will be matched by our match donor for a day's total of \$2400. Together we can grow goodness for 2018, and your gift today can be doubled!

You know, as we do, that the piece that has been missing in building sustainable peace has been: **women's unique leadership**. In 2017, WFWP was able to conduct **40 Women's Empowerment programs** in the United States.

With your help, we can reach, teach, and empower even more women in 2018!

Goodness grows this season...
