Dear friends,

We are very much looking forward to celebrate our Founders' birthdays this year! **Dr. Hak Ja Han Moon and her late husband, Rev. Dr. Sun Myung Moon, were born on the same day, January 6 (lunar Calendar) 1943 and 1920 respectively in North Korea.**

We are so very grateful to them for having dedicated their entire lives, energy, resources and human effort to make their divinely inspired vision for World Peace, ONE FAMILY UNDER GOD, a reality based on the Philosophy of "Living for the Sake of Others" and "Living By the Logic of Love."

They have been infusing their spirit of total commitment and love in action into all their organizations, including the Women's Federation for World Peace International.

Their legacy and lifestyle of love, forgiveness and hope continues, now under the very capable leadership of Dr. Hak Ja Han Moon. In the last five years she has been able to raise all endeavors worldwide to a new level and substantiation. **We congratulate her for her many accomplishments wholeheartedly!**

Her inner beauty, strength, divine wisdom and caring for the world are the driving force that continue to inspire and compel us as women to not only keep going, but to step up more and do more in this new year and beyond.

**So on this special occasion, Dr. Moon's 75th birthday - which by the way will be celebrated during time of the historic Winter Olympics in Pyeongchang - we invite you to show your appreciation by making a financial donation in their honor. (see link below).** In Korean culture, money is typically given on significant occasions such as weddings and birthdays, rather than gifts. So, we would like to give her a special gift from WFWP USA for her 75th birthday.

We also ask you kindly, to **please include a personal message** to the Co-founders in the comment section to accompany your gift, or send us a note of congratulations directly to [info@wfwp.us](mailto:info@wfwp.us), **by Wednesday, February 14th.**

Thank you so much for being a supporter and partner of WFWP, creating together the culture of peace and culture of heart in the midst of today's challenging reality.

Peace and Blessings!  
Angelika Selle - President  
Juanita Pierre Louis - Sr. Vice-President
