

**The month of April is the Women's Federation for World Peace membership drive!**

Angelika Selle - March 30, 2018

Now's the time to support women creating a Culture of Peace by renewing your WFWP membership or by inviting a friend to become a WFWP Peacebuilder.

*If you have a recurring membership plan or recently renewed your membership,  
**We Thank You!***

It is easy to get bogged down with perceived impossibilities. We carry around with us hurt feelings, our own and those of our people, race, or nation. Women carry with them the feelings and struggle of womankind.

Perhaps it has always been this way, but we can choose a better future! For those who experience [Women's Federation for World Peace](#) reconciliation programs, such as the [Bridge of Peace](#) ceremony, reconciliation, and re-connecting to what is good and what is possible, offers a means of unburdening and uplifting the self. A transformation takes place, and a community that will strive for peace is created!

At a recent Bridge of Peace in Pennsylvania, one attendee said,

*"It was so uplifting and warm to see all the hearts in that place. Many people types were unified because of it, and that was a good way to spread love. WFWP is a great organization of great women, and I'm glad to be connected to it. All power to us. All power to love!"*

**You support projects like these with your WFWP membership. Your generosity helps women realize their true value.**

## Accomplishments made possible in 2017 through member support:

- 40 Women's Empowerment programs enabling women to realize their true value
- 33 Peace and Reconciliation events
- Over \$61,000 raised for local and international communities, to support 5 WFWP Schools in Africa, to build a kindergarten in Nepal, and provide a year's worth of education for 66 students in Cambodia
- Over 3,200 people reached with the Leadership of the Heart education to foster compassionate leadership

It was a simple idea with big impact, and women who lead with **the Logic of Love** took up the idea wholeheartedly!

**The Purse Project:** sending needed items (like toiletries) and a little sisterly love (notes of encouragement) to women living in homeless shelters. Across the country, many purses were donated to uplift women in need with confidence as they set out to transform their lives. WFWP is compassionate leadership and creating the culture in which we want to live.

Let's make 2018 the most transformative year yet! Things we are looking forward to:

Expanding our Leadership of the Heart curriculum

Creating a seminar framework for the Bridge of Peace ceremony

Increasing our impact for peace and transformation through TV, radio and social media content

Spread the word and invite a friend to join WFWP today!
