Living by the Logic of Love

Dear friends and families,

As we commemorate one of America's most defining holidays, let us remember America's original founding purpose 242 years ago:
to guarantee freedom of worship, putting God, our Creator, first and to live by godly principles.

Based on these tenets, when truly practiced, our "independent nation", would finally be able to become the "City on the Hill" and hope for all nations.

Much work remains to be done, as we decide to renew our resolve to work together more interdependently to make this original vision and dream come true!

HAPPY INDEPENDENCE DAY 2018
