Practical Tools, Inspiration, Entertainment & Refreshments!

These are stand-alone seminars, enriching in each of themselves - ALL are welcome to join in regardless of having attended previous seminars!

As a follow up to previous sessions on Spirituality (July) and Self Value/Self Worth (September), we will be delving into Session III: Emotional Maturity.

Session 1: Spirituality

Session 2: Self Value/Self Worth

→ **Session 3: Emotional Maturity** ←

On Saturday, October 20th from 1-5pm at the Washington Times we'll be exploring emotional blocks as well as essential tools for building emotional maturity, as we seek to empower our inner leadership abilities from deep within. From this inner place of freedom and strength, and knowing specifically what that means for each of us, we are all able to be effective leaders and change-makers within our families, communities and nation.

You will gain specific tools and principles that you can apply to your own life as soon as you leave the seminar.

We look forward to seeing you there!
