The spirit of giving is in the air...

The Tuesday after Thanksgiving kicks off a season that has become a worldwide generosity movement!

Coming on the heels of the largest consumer shopping days of the year (Black Friday and Cyber Monday), **Giving Tuesday 2019** promises to touch millions of lives.

The joy of giving. Once you've experienced it, you never forget it.

During the 2018 season of giving, over \$10,000 was raised for the Women's Federation of World Peace USA. Thanks in part to this generous love and support, WFWP education and programs to **empower women leaders** and **build lasting peace** were carried into the new year.
