**Over \$2000** has been given so far towards our end-of-year goal.

Generous hearts have been giving, posting, "liking", and shopping-for-a-cause to help empower women who lead with the Logic of Love!

A big "Thank You!" to everyone who made Giving Tuesday 2018 loving and joyful.

Thanks to supporters like you, this year over 3,000 women of all ages were educated and empowered to use their gifts and talents to lead with heart and create a culture of peace. Thousands more were reached through radio and TV programs promoting our motto "Living by the Logic of Love".

Through leadership retreats, seminars, service projects and many more local and national programs, women are gaining the tools they need to take action and build genuine and lasting peace in their families and communities.

## Help Women's Federation for World Peace promote the vision of Leadership of the Heart!

The spirit of giving is in the air, and this year we have a goal to raise **\$20,000** by December 31st. Your support will keep WFWP strong in 2019! Together we can continue to empower women with knowledge, skills, and a supportive community to discover their unique value and create lasting peace.

**"For it is in giving that we receive." - St. Francis**

The WFWP USA "Schools of Africa" project supports 9 schools in 8 African countries.

Each year, WFWP chapters across the country hold dynamic and creative fundraisers for the Schools of Africa. Fundraising events may take the form of tag sales, silent auction galas, or luncheons that celebrate African food and culture.

**Since 2001, thanks to generous donors, WFWP USA has sent over \$430,000 to the schools.**

This invaluable support has helped the schools purchase critical materials for lessons and provide scholarships to impoverished students. Contributions from WFWP USA have also supported school feeding programs, expanded and improved facilities, and paid for skilled staff. Many of the schools operate in the poorest neighborhoods, and have come to serve as a source of stability to their communities.

The spirit of giving is in the air, and this year we have a goal to raise **\$10,000** by December 31st. Together we can continue to provide African school children education, skills, and hope for a bright future. A future guided by the Culture of Peace.
