

Support service learning for urban youth with a gift to WFWP USA!

Did you know? One of the best ways to build community and create peace is to help young people discover the joy of serving their communities!

This year's annual **Day of Service** in Washington, DC was a joyful collaboration among WFWP chapters, two DC area schools, the police department, local businesses, and the mayor's office. Students were given the opportunity to interact with police officers, and to tidy up their neighborhood. The children took away with them a feeling of pride in themselves and the place where they live. They also learned that their local police officers are people they can count on to help them.

Your donation of \$25, \$50, \$100, or more helps us to continue, and expand, service learning programs that benefit students and their communities. Click below to donate today and check out what the Day of Service students had to say:

Students take service learning to heart!

"I learned that you don't do good things to get a reward, but to care for Earth and each other."

"I learned about leadership and how important it is to help the environment."

"I learned and experienced that leaders lead people toward good, not bad."

"I had a good time in service. It felt good knowing the street was clean."

"For it is in giving that we receive." - St. Francis

Thanks to supporters like you, this year over 3,000 women of all ages were educated and empowered to use their gifts and talents to lead with heart and create a culture of peace. Thousands more were reached through radio and TV programs promoting our motto "Living by the Logic of Love".

Through leadership retreats, seminars, service projects and many more local and national programs, women are gaining the tools they need to take action and build genuine and lasting peace in their families and communities.

Help Women's Federation for World Peace promote the vision of Leadership of the Heart!

The spirit of giving is in the air, and this year we have a goal to raise **\$20,000** by December 31st. Your support will keep WFWP strong in 2019! Together we can continue to empower women with knowledge, skills, and a supportive community to discover their unique value and create lasting peace.

Make your tax-deductible donation today!

When you give love, you receive joy. May joy come to you this season.
