Note: The registration deadline is Sunday, June 2, 2019.

The Global Women's Peace Network, a project of WFWP International, was launched in 2012 by Dr. Hak Ja Han Moon and her late husband the Rev. Dr. Sun Myung Moon, and has since been established in Europe, Africa, the Middle East, North and South America, Oceania and East Asia.

We are entering a new era where the role of women as peace builders in all sectors is needed more than ever. Over the last 27 years, Women's Federation for World Peace has been able to establish a solid foundation around the world by practicing the core philosophy of Living By The Logic of Love. Visit [wfwp.us](http://wfwp.us) and [wfwp.org](http://wfwp.org) to find out more.

This gathering will be an opportunity to learn about the unique vision of the GWPN, meet with women leaders from different sectors of life, and initiate the process to synergize our efforts and leverage our resources to turn this current culture of strife, hate, wars, abuse and violence into one of peaceful cooperation, mutual respect and prosperity for all.

During the Peace Starts With Me- A Celebration of Unity Rally, we will have the unparalleled opportunity to hear a personal message of reconciliation and hope from WFWP Founder, Dr. Hak Ja Han Moon, whom many lovingly call the "Mother of Peace." We will gather alongside thousands for this program at the MGM Grand Hotel.
