Dear Parents, Advocates and Candidates,

A late Happy True Parents Day!

Thank you so much for supporting True Parents and the 2nd King and Queen! Let us work together to build God's Kingdom on Earth one family at the time. This is an intense time, but let us focus and Pray for God's Will to be done. Here in America, we need to protect our God Given Freedom and support Donald Trump's reelection. We have received or have the potential to receive Spiritual and Physical Salvation through the Blessing.

We had a well attended Zoom call on January 4 with parents and candidates from many countries. Our motto is to Be Bold and Courageous and Persevere with God. God has prepared a match for each candidate.

Helen Ndu volunteered to lead a prayer group for the Matching and Blessing, so please join her, and you can also send in a prayer request to [hndu92@gmail.com](mailto:hndu92@gmail.com).

King Dr. Regis and Queen Nancy Hanna are happy to help as couple counselors, especially because the King asked them to do this (sort of) during a Sunday Service a few months ago. They are an 1800 couple and True Father matched them in Korea on February, 1975. They have seven children. In the course of 45 years of marriage, they've had plenty of struggles, but they are more unified than ever. They were missionaries in Ecuador, Chile, Mexico, and Panama for 40 years. Nancy Hanna has a Masters in Family Counseling from the American University in Mexico City. Regis Hanna earned a Doctorate in Ministry from the Cheongshim Dae Hagwon (Cheongshim Theological Seminary) in 2010 in Korea. You can email them at [dr.regis.hanna@gmail.com](mailto:dr.regis.hanna@gmail.com).

The next Matching Zoom Call for 1st, 2nd, and 3rd Generation candidates, parents, and advocates will be on April 4th from 2 pm to 4 pm.

Please send me your email if you want to participate, as well as your name, age, gender, and home country for candidates. Parents are also welcome just to attend to learn more.

If you have questions, email them to me ahead of time and I will include them in my talk. I will give a power point presentation first and I need someone to testify about getting matched or matching someone.

May God guide each one of you. Stay healthy, eat healthy, and pray and study God's word.

Best Wishes,

Denton and Dorit Smith
