On June 8, 2025, the Cavite Family Church in the Philippines held a special worship service to commemorate the 21st anniversary of its founding. Centered on the theme "A Unity of Heart toward Building Cheon Il Guk," over 100 members of the Family Federation for World Peace and Unification (FFWPU) gathered to reflect on their journey of faith and renew their commitment to their providential mission.

Rev. Reynaldo Estose, Regional Director of FFWPU Philippines, expressed heartfelt gratitude to the members and encouraged everyone to move forward together with a united heart to realize the ideal of Cheon Il Guk.

National Leader Rev. Ronnie Sodusta emphasized that a new providential era has begun with the completion of Cheon Won Gung and the Cheonil Sanctum. He called on all pastors and members to unite in creating a "Happy Family Church" - a community overflowing with love, joy, and purpose.
