## Cheongi 2

2011

天情文身地和子女定善終最一體完天雷定善天一國為義 元平 百平

Mansei for Cheon Il Guk where the children of earthly harmony achieve final settlement, completely unite, and establish themselves throughout heaven and earth, centering on the Parents of heavenly heart.

As owners of Cheon Il Guk we will offer Hyo Seong (filial devotion), and expand God's sovereignty by:

- Inheriting His shimjung through Hoon Dok Hae;
- Promoting True Father's autobiography;
- Teaching Divine Principle and giving the Blessing towards fulfilling our 430 couple goal;
- Regularly tithing and developing our financial foundation and
- Becoming influential in our communities.

Together we determine to support True Parents' International and European providence by:

- Doubling church membership and Sunday Service attendance;
- Empowering our Ambassadors for Peace to offer their foundation to build Cheon Il Guk and
- Developing an *Abel UN* to guide the United Nations, European Union, national and local government into the realm of Cheon Il Guk.

United in love and sacrifice we pledge our whole-hearted effort towards these goals.

Chambumonim Ok Mansei!
