Re. : Bequeathal and Explanation of Purpose of the Special Holy Salt from Death Valley

May the blessings and love of Heavenly Parent and True Parents always be with you.

True Mother visited the Death Valley holy ground in the United States on January 13, 2024. There, she saw salt that did not deteriorate and remained pure even in the hottest and lowest place in the world. Mother said that even in a sinful world we should become "A righteous person like salt, who respects heaven and lives a life that can serve as an example." True Mother earnestly hopes that all humankind will become children of Heavenly Parent who are as unchanging as salt.

So True Mother blessed the salt collected from the Death Valley holy ground and instructed that it be combined with Cheon Il Guk Holy Salt to make a Special Holy Salt, and gave her blessing for it to be distributed widely to leaders, blessed families, and members around the world from True Parents' Birthday onward. Accordingly, this memo is to inform you about the significance of this Special Holy Salt from Death Valley, as well as how to use it, how to bequeath it to others, and how to multiply it.

1. Meaning of the Special Holy Salt from Death Valley

- A. The Special Holy Salt from Death Valley that True Mother has bestowed was created to build on the existing Cheon Il Guk Holy Salt tradition and be used to find righteous people whom Heaven has prepared and who are like salt, and bless them and bring them to become the people of Cheon Il Guk.
- B. In a place like hell on earth, the hottest and lowest place in the world, True Mother's seeking out the salt that can save humanity is to find righteous people like the salt prepared by heaven to save the fallen world that is heading toward destruction, and to lead it once again to the path of hope. This is Heaven's providence that contains the earnest love of Heavenly Parent, True Parents, and especially True Mother.
- C. Death Valley salt is usually invisible because it is mixed with sand and dust, but when it rains a lot, the salt dissolves in the water and creates salty water. Then when it gets hot, the water evaporates, leaving very clean salt. When True Mother visited on January 13, the salt was as spectacular as white snow, and the pure salt that was separated in this way was passed down as Special Holy Salt.
- D. According to True Parents' special instructions, on February 2, 2024, at Cheon Shim Won at the HJ Heaven and Earth Cheonbo Training Center, with 1st Secretariat Chief of Staff Moon Yeon-ah, 2nd Secretariat Chief of Staff Won-ju McDevitt, International President Song Yong-cheon, Cheon Shim Won President Lee Ki-seong, and FFWPU Heavenly Korea President Song Gwang-seok, the Special Holy Salt was multiplied through the 'Ceremony to Inherit Special Death Valley Holy Salt for a Heavenly Unified

Korea and a Heavenly Unified World.’ True Parents then bequeathed the Special Holy Salt to the regional presidents and Heavenly Top Gun during the time of the celebrations for True Parents’ Birthday and 11th anniversary of Foundation Day.
