CIG Calendar 2016

Peter Staudinger

October 28, 2015

Dear brothers and sisters,

We are in the process of preparing the new CIG calendar for 2016.

This time we would like to ask all the fine artists among you to send in your best paintings or drawings of True Parents to use them as a monthly picture for the calendar. Also short poems are welcome, which would be displayed alongside a photo, drawing or painting of True Parents.

We would also be very happy if you can send in nice personal photographs showing True Parents, photos which are not known yet to everyone.

We will choose the 12 best from among all the entries and they will be displayed on one of the 12 calendar pages of the new CIG calendar which is used in hundreds of homes of Blessed families around Europe and even beyond.

Please send in a picture of your painting, drawing or any other artistic work showing True Parents, poetry or photo until November 20, 2015 to euHQ@ffwpu-eu.org

Thank you very much in advance!

Yours sincerely,
Peter Staudinger
