Interview and Confession Form of First Generation Matching Applicants

To be read and filled out by the Applicant before the interview with your Regional Director. It is the responsibility of your Regional Director (or designated National Church Leader), representing the Continental Director and True Parents, to make sure that you understand the value of the Blessing and that you are prepared and qualified to attend. This confidential meeting is also your opportunity to confess any sins and perhaps receive guidance so that you can go into the Blessing with a clean conscience, free from accusation. Sin came into this world through the fall and cut us off from God, therefore it is important to confess your sins, especially sexual sin. Do not try to hide your mistakes because they will eventually come out and cause even more pain. The questions in the Confession section are intended to help you be clear and honest in this confession. Please answer all questions with a repentful heart.

The confession pages will stay confidentially with the church officer receiving your confession and only the Approval Form (page 3) will accompany your final application.
